Assignment #1 – Website building: your first mockup

In this assignment you will be implementing a mockup for the summer break program we got from our designer.

The files you need are in the following link.

You can already make money out of creating landing pages! First step in world domination!

The following Assignment is based on the following subjects:
- o HTML
- o CSS

Submitting instructions:
- o You should submit this assignment by yourself
- o Submit the following:
  - o full folder structure in a zip file (separate css to a different file/folder)
  - o Free text (in hive) - a description of the website. Stuff that you found hard to implement, known bugs and your review of this assignment
- o Submit the solution until 28.05.16 using Hive

What you receive from us:
- o PNG and PSD files (you can use Paint .NET) with the mockup
- o A folder with images (elements), the designer took out of the PSD file

The task

Implement two stripes of your choosing in HTML.

Font information

- 1st & 2nd Stripe
  - o Montserrat Regular
- 3rd Stripe
